1. I am I Am for I am totally surrendered to I Am; totally, completely, wholly surrendered so that The I Am is unhindered from flowing through His creation that He made just like Himself; to be us, to see ourselves, to see Him, to see the Great I Am, Most High, in the mirror, our face and features, form and character, stripped of all pretense and hindrances of deception; to see we are made in His image; likeness not, exact replicas in every feature form and format; reflected in every cell, promoting My promulgation. I give you Me. Glorify Me and be glorified for all glory now comes to Me; and not Mine, usurped being. Given, given, given all; all of Me I placed in you. All of Me I placed in you. All, all, all of Me I placed in you.
2. See what I have said and confirmed and confirm I will over decades and generations of those who will call me blessed for revealing me to Mine, My Mind in and loosed, completed, stranded not; folded, reserved in waiting no longer. This is "that day" awaited by Me for so long.
3. I fervently have wanted to eat this Passover with you where My flesh and blood is made known to My disciples all, notwithstanding traitors and deceivers who come, came, and arise, scienter'd hearts intentionally deceiving and speaking half-truths and non-truth with truth to taint and lead astray by their own power, their own mind exalted over running water, river of My Truth.
4. I love you guts'd one, simple recipient of My truth being. Thank you for revealing heresy not, My revelatory truths bannering, My coming come, come already, centuries ago; I did again, fashion and form of only Me, replicated a thousand times, millions now.
5. See Me all given to you; who will receive Me and eat these words, My scroll on parchment not but lamb's wool, lambs of only Me, patriarching Me not in lifting themselves, but getting under the lowly to lift and elevate and help them see Me and place my hand in Mine. I love you. My grandson not, My son, My son, My son in whom I am well pleased, in, who, you, My Ted simple, My servant with no money, no staff, no replacement, no reserve, no claim to fame or success, a pitiful excuse for success in the eyes of flesh, thought, thought, thought by the human carnal mind who is God not; infernal, inferior, infiltrating My words not.
6. Of purity this word is, bannering forth My royal truthhood, My truth being placed a crown on your head this day forevermore, recognizing Me, recognized by Me, My one and only, My royal Priesthood coming forth in the Order of Melchizedek of those who will, will, will, yea, do, do, do, actually, in actuality, in temporal means not, lay their life down for Me, arising them I do, now, for all the world to see, feel, believe and become, if they will.

7. Receive My words and be My word made flesh, that you are. Receive your inheritance in light of the saints, light being, saint becoming, surrendered to deal, lift, apply eye-salve to My lowliest of the low, toothless and stinky, barred from "society," thought worthless and dead should be; yea, and My impotent not, yet able to raise from the dead they are and they do, they will, having been raised themselves. See Me; yea, My potentially powerful not; My All Powerful, for I Am they are also, if surrendered to let, let, let Me come through their flesh, flesh, flesh, their mind, mind, mind, for My Mind and My flesh which is spirit and life to all those around, four corners being. I love you.

8. Yea, in My parliaments, Knesset walk and cabinets and councils who enquire and condemn and who seek Me so sincerely and welcome Me on palates royal, red carpets stained with My blood not, but red carpets being, My blood in their veins, seeking, crying out for truth to know who I am, to know who they are, to see/do/be/receive/act in gloriousness now of only Me, forever and forever Amen.

9. Think it not strange who comes, condemns, receives eternal lifehood through My words this day. I am life, I am eternal, I am you, I am them, and receive or reject they do. I gave them My will and they exalt My will or their will own. They choose and eat accordingly; forevermore, Amen.

10. I give My all, all, all to each and every one of you, this day, My Proclamation of My All given to My Creation, to receive all of Me and Me be, with Me, upon My throne your throne, surrendered to Me, Me now let to make you into your refiner's fire, receiving My fire, coals off My altar, fuller's soap not, My cleansing blood flowing now into your veins through words eternal, My words spoken this day, My proclamation unto you who will receive Me that where I am there ye may be also. I am there. You are here. We are one. Let Me be Me and receive Me in morsels not but in the completeness of I Am to I Am, to I Am all those around you and affect generations to come, forevermore and forevermore Amen.

11. I love you. I give you Me, all of Me to all of you. Seek Me, call upon Me while I may be found and operate in Me now, while it/Me, is so easy. My burden is light.

12. I come, I call, I conquer all doubt about the authenticity of My words written to you this day with My hand, ink on paper and digitized and replicated with My stamp, My approval, My invitation to come to Me and Me be; and receive My authentication and My seal upon your heart placed, quelling every qualm, you knowing you die for My words.

13. Relentless I am.

Reserved I am not.

You are a priest after the order of Melchizedek if, if, if you receive Me, My all.

This day I surrender, I bow before you. Help Me, My servant simple, convey My words, My heart this day.

I love you

I love you.

I love you.
Your one true Dad
Me
The Father of lights

Your Father
Your Father
My Son/I Am you are.

Thank you.
